Have you gone Google or going Google? If you already or don't have a solid understanding of the G Suite for Education including Google Classroom, this workshop is for everyone regardless of your expertise. Attend to take a deep dive into Classroom, splash around with all tools and features of G Suite, as well as learn more about tips and techniques for all aspects of Google.

Workshop Agenda:

- Use G Suite for Education & empower students and increase learning
- Deep dive and use of Google Classroom
- Many other apps, Google add-on and extensions to increase efficiency and productivity
- Successfully integrate a wider range of Google Education Tools
- Gain technologies in order to transform their teaching and learning
- Network and share best uses with colleagues in the field

Presenter:

Duke Lines, CIESC Innovation Learning Specialist

Former teacher, PLC leader, instructional coach, dean of students, administrator ·
Certified Google Educator & Trainer · Utilizes technology to increase student
achievement with a focus on quality instruction · Presented at local, state, and national
conferences such as IASP, ICE, and AdvancED.
