We now have one year of ILEARN in the books. CIESC presents another learning opportunity to reflect and refine in order to learn how to best utilize the content literacy standards. This workshop is for all 6 - 8 Science & Social Studies teachers, instructional coaches, and Administrators. Join us to refresh Depth of Knowledge, unpack the blueprints & item specifications, revisit your curriculum and instruction in order for all students to find success in your class.

Workshop Agenda:

- Refresh DOK
- Review and unpack the iLearn Blueprints, Item Specifications, Released Items
- Refine and build Formative assessments to prepare students
- Network and problem solve with colleagues in the field

Presenter:

Duke Lines, CIESC Innovation Learning Specialist

- Former teacher, PLC leader, instructional coach, dean of students, administrator
- Certified Google Educator who utilizes technology to increase student achievement with a focus on quality instruction
- Presented at local, state, and national conferences such as IASP, ICE, and AdvancED.
