Learn the 'how's' and 'why's' of assessing and grading diverse learners in all subjects in a standards-based world.

In this workshop we will:

- Examine what an A really means and mastery means in every classroom.
- Learn about rubrics, redos, late work, homework and setting up a gradebook to support standards based grading.
- Explore authentic, varied and formative assessment styles, all adaptable to your students' readiness levels.

Laurie Ferry, CIESC Director of Professional Learning
