There's a lot of information about what PLCs are...but less guidance on how to make them effective for the adults involved. This workshop is designed for administrator or coach responsible for coaching leaders and monitoring PLC effectiveness. How do we measure if a PLC is successful or not? How do we motivate our leaders? Attend and find out!

Workshop Agenda

- Create clarity around what a highly effective PLC looks and sounds like
- Re-establish your true role as the leader--and just what that means
- Gain insights into helpful and hurtful feedback methods
